

Bravo Single Speed Pool Pump

"Everyone Loves a Bad Boy"

Ideal for fresh water or salt water pools.

Today's pools often have complex inclusions requiring more grunt. Cleaning systems, heat pumps and features all draw heavily on a pump's performance and this is where Bravo really stands out.

This high output pump suits applications requiring superior head and output.

"A REAL GRUNTER"

- ⚡ Stainless steel shaft - ideal for salt pools
- ⚡ Glass filled poly-propylene construction for strength with high UV protection
- ⚡ Mechanical Seal - carbon ceramic for reliable performance and durability
- ⚡ Bearings sourced from the best. TPI-Taiwan
